

24 AUGUST 2005

**NEXUS MANAGEMENT PLC (formerly PC Medics plc)**  
(“Nexus Management” or “the Company”)  
**AGM STATEMENT**

Nexus Management plc (LSE: NXS) a provider of Enterprise class IT Managed Services to the SME market, is pleased to announce that all resolutions were passed at its AGM held today in London.

At the AGM, Roger Richardson, CEO of Nexus Management, commented, “Last year was one of consolidation for us. As previously stated, having gained a secure financial footing, our focus is now on the growth of the Company. In the US we hope to replicate our successful model centred around Maine to other geographical areas, leveraging the infrastructure in place. In the UK, we are actively seeking acquisition opportunities in the IT services market.

“This year has already seen our client roster grow by 26% since the start of our financial year. We have secured contracts with new companies, developed our range of services and expanded the business levels with existing customers. We are encouraged by the demand we are experiencing for our services, and look forward to reporting a successful outcome to the year.”

**About Nexus Management plc**

Nexus Management is a growing specialist IT Managed Services Provider focusing on the SME market. Following the recent merger with Nexus Management Ltd and its US subsidiary, Nexus Management Inc, the Company re-branded from PC Medics and now has two key markets: the UK and the US, to whom it can offer 24 hour manned support. Nexus specialises in Remote Server Management, Disaster Recovery, Data Storage and Wide Area Network Management and monitoring - providing Enterprise calibre technical support to SMEs. Through its world class data centre in Maine, Nexus’ customers have access to highly secure and robust IT infrastructure, monitoring and support.

Nexus Management plc is listed on AIM, a market of the London Stock Exchange. For further information on the company, please visit [www.nexusmgmt.com](http://www.nexusmgmt.com)
